

**Homework Helper Program Permission Slip**

Your child has expressed an interest in participating in an after school volunteer program at  
Heritage Junior High.

The Homework Helper program involves 9<sup>th</sup> grade students volunteering time after school to help other students with homework. In addition to learning valuable lessons in helping others, you child has the opportunity to earn volunteer hours that may be used on college admission applications, scholarship applications, and used for the NHS application in High School. The Program is scheduled for Tuesdays and Thursdays from 3:05 -4:00 in the Media Center. Students may choose when and how often they would like to  
volunteer.

Since this program is intended for Peers to be helping Peers, it is very important that the 9<sup>th</sup> grade helpers see this as a 'Job' situation, and are diligent in areas of ethics and socialization. Students who violate their responsibilities will be dismissed from the program. Please fill out the Permission Slip below, making sure it is signed, and return it to the front office.
