

Homework Helper Program Participant Permission Slip

Your child has an opportunity to stay after school and get help with his/her homework from a high school student.

The Homework Helper program involves 9th grade students volunteering time after school to help other students with homework.

Since this program is intended for peers to help peers, it is very important that students who take advantage of this program are diligent in areas of ethics and socialization. The Program is scheduled for Tuesday and Thursday afternoons from 3:05P.M. – 4:00P.M.

Students must be in the Tech. Lecture Room by 3:05P.M., have their homework, and will not be allowed to leave until 4:00P.M. **Students who violate their responsibilities of completing homework and staying focused will be dismissed from the program.**

This Permission Slip must be on file for your student to participate. Please fill out the Permission Slip below, making sure it is signed, and return it to the front office.
